

Student Advisory Board Application
San Mateo/Santa Clara/Santa Cruz Counties

Congresswoman Eshoo established the 18th Congressional District's Student Advisory Board in 1993 to give young people a voice in our government. The Board is made up of high school students who live or attend school in the 18th Congressional District. Past Student Advisory Boards have researched topics and polled students on issues important to their peers and made recommendations on legislation being considered in Congress.

Candidates must be high school **freshmen, sophomores, juniors or seniors** residing or attending school in California's 18th Congressional District and must be responsible, creative, enthusiastic, and dedicated.

Due to the COVID-19 pandemic, the Student Advisory Board for 2021-22 will meet virtually by video conference, with a potential move to in-person meetings depending on Covid-19 state and county guidelines.

Students must be able to attend virtual meetings twice a month. Any student missing more than two meetings without an accepted excuse will be dropped from the Board.

This year meetings will take place on Wednesdays. Below is the *tentative* schedule.
